If there is any way in which you feel we can support your family at this time, please do contact the following for Senior School Academic & Pastoral enquiries:

All our teachers will be working full-time and can be contacted via email throughout the day. Please refer to the timetable, which will feature your child's teacher (example: it will feature 'Mr O. Idris, so the email ID will be oidris@englishcollege.ac.ae). They will ensure that your child will benefit from the usual exceptional teaching that we always deliver, with the help of engaging online learning platforms and learning activities.

Our teachers and assistants will be available as per the regular school day timings. Here is the overview of the **Senior School Distance Learning**:

Classes will take place 'live' as per the normal school timetable. Work for each class will be posted before the beginning of their timetabled lesson on the Google Classroom.

1. Teachers will monitor and follow up 'attendance' and report it centrally.
2. Students will be able to interact with their classroom teacher on the comments section available for each lesson (this facilitates private/public comments). Lessons are likely to consist of a video/PowerPoint/resources/ web links. Google classroom also allows students to upload completed work for teachers to feedback on and mark.
3. Homework for students will be set in line with the school's homework policy.

It is essential that all students, especially those with summer external examinations in Years 11-13, participate fully so that their learning is not affected. Students need to be in a quiet space at home with their laptops from 8am until 3.20pm each day, excluding school break times.
