

25 March 2020

Dear Parents,

IMPORTANT EXAMS UPDATE

The International Exam Boards (Pearson International and Oxford AQA) have formally announced the cancellation of all examinations for this academic year. This now means that there are no external examinations at The English College this summer.

The exam boards have now advised that students will receive a graded certificate; they are currently developing a process for schools/colleges to follow when formulating these grades. The methods we use will be in line with the guidelines provided to us via the relevant exam board and all evidence of work will be taken into consideration.

The important message from us remains the same. All students must commit fully to the distance learning program provided by the teaching staff at EC. We need to continue to deliver the content of the course to be in a position to be able to give each student a grade that is a true reflection of their achievement in that subject. All communication can be accessed via D6 and the school's website. The Senior School team are in daily communication with the students concerned, parents of Year 11 to Year 13 students are welcome to join our Google Class, please use the code below if you would like to be included in relevant communications.

Senior School Google Classroom Code: mn3dnal

Kind Regards

Senior School Leadership Team
