

27 August 2020

Dear Parents,

There are a number of actions that have been mandated by the authorities which require your immediate attention to ensure your child can return to school on Sunday, 30th August.

Parents must:

1. Complete a travel and health declaration for Dubai Health Authority
2. Complete a health declaration for KHDA purposes

The English College cannot admit your children to school until all these steps have been undertaken.

1. Travel & Health Declaration (DHA)

It is a requirement that all parents provide history of travel information for their children in the last 14 days as well as their health status. This is done by filling the Travel & Health Declaration form by Friday, 28th August 2020:

- School Name: The English College
- School Email: nurse@englishcollege.ac.ae

<https://www.dha.gov.ae/en/Pages/coronaregistration.aspx>

2. Declaration Form as per KHDA

You are required to complete the declaration to confirm that your children are healthy at the time they return to school.

- School Email: traveldec@englishcollege.ac.ae

IMPORTANT – STUDENT TRAVEL WITHIN THE LAST 14 DAYS

If students have travelled within the last 14 days:

Under 12 – quarantine for 14 days automatically – no test possible

Age 12 and over must produce a negative test.

We appreciate your support and are sure you share our view that robust checks are necessary to keep our community safe.

Thank you,

The English College
